When the gods throw a party...

The Roman god of wine, Bacchus, has organized three great Bacchanalias to be held in his honor.

He has given his satyrs the task of recruiting young nymphs to come to these wild parties.

As a player, you are one of Bacchus' satyrs. Your task is to gather together as many like-dressed nymphs at the bacchanalias as possible, driving up the point value of these stylish nymphs and scoring as much as possible in the process.

"Decent amount of strategy; a fair amount of decision-making; pretty art and very nice cards."

~~Matt Drake on BoardGameGeek.com

"This is a great, quick card game. One of those that has difficult choices throughout with a bit of mystery at the end as to who actually pulled off the victory."
